

EDU eBooks

EDU eBooks-a wide selection to choose from!

EDU eBooks, our new eBook platform, offers access to more than current and backlist titles through an easy-to-use eBook format. EDU eBooks span a wide range of core, curriculum-oriented subject areas, in both reference and nonfiction-from history, science, and literature to geography, social issues, the arts, biographies, and more. Going forward, almost all of our new publication will be available in both print and eBook formats-meaning several hundred new eBooks will be released each year, ensuring an expanding selection. EDU eBooks are convenient and simple to use.

'Here is what eBooks platform should feature to get market share:'?????

- *Easy access from any computer with an Internet connection*
- *Unlimited simultaneous use*
- *Complete texts of acclaimed print books*
- *User-friendly, intuitive interface and easy navigation*
- *Cross-searching across all the eBooks your institution has purchased to date from EDU*
- *Search by title, description, or full text*
- *Downloadable MARC records*
- *Helpful citations available in multiple styles*
- *A useful dictionary tool so user can look up difficult words on the spot*
- *Password-protected notes*
- *Custom bookmarks*
- *The ability to print, e-mail, and save pages*
- *The ability to link to a specific eBook, chapter, or page*
- *Usage tracking and reporting for librarians*
- *An archival PDF of each eBook purchased directly, which can be downloaded by account administrators.*
